Dear Steve,

I just wanted to share a quick note and let you know that you and your firm ReputationBoss are really good at what you do. I can tell that you have a lot of knowledge and take great pride in your job.

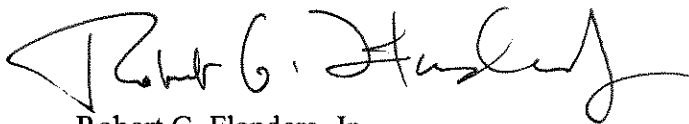

I am glad that I decided to work with you. It was really great how easy and fast your process was. I never had any problem at all conveying my wishes and desires. You handled them and the entire project in an efficient, professional, and ethical manner.

My new Wikipedia page will become a permanent record of some of my life's work; a true biography and legacy. I also appreciate that you are staying with my page for the next two years making additions and updates, and allowing me to send anything else I'd like to add. This has great value to me.

I can recommend you and ReputationBoss to anyone who needs a Wikipedia page done quickly, professionally, cost effectively and with enthusiasm.

Thank you very much Steve. It has been a pleasure working with you.

Sincerely,

Robert G. Flanders, Jr.
